

August 21, 2020

Hello everyone, we are very excited to announce that there will be curling at Inglewood Golf & Curling Club for the 2020/2021 season. All leagues will start mid-October. We have been working on the "Return to Curl" Guideline for our club and you will notice a few changes. Please see attached.

As the curling season came to an abrupt end in March, 2020 due to the Coronavirus, we were not able to send out League Returning Contracts and collect the league deposit to hold the leagues day and time. With that being said, we need to determine if the all of leagues/curlers will be returning for the 2020 2021 season.

League Reps will need to provide confirmation by Friday, August 28th 2020 if their league will be returning for the 2020/2021 season. Failure to do so will result in the leagues forfeit of day and time. If you are no longer the league rep, please forward me the contact information of the new league rep.

League contracts will be sent out the week of September 1st, 2020. Online registration and payments must be received no later than Friday September 18th, 2020.

Please note that the start time of some of the evening leagues may change as the ice staff need to thoroughly sanitize after each game. This will be noted in the rental contract.

If you registered online last season you are already in the system. Please do not register as a new member. Click on the RENEW MEMBERSHIP button and follow the prompts. If you did not register online last season click on NEW MEMBER and follow the prompts. Online registration/payment will be open Monday September 7th, 2020.

As this curling season will be like no other in recent memory please keep in mind that the first couple of weeks will be a learning curve for everyone. We appreciate your patience while we work to provide a safe environment for you, our curling members and guests.

Thanks

Kathleen Redford

Curling Coordinator
